CFUW: ‘Women Helping Women’

CFUW is a non-partisan, voluntary, self-funded organization with over 100 CFUW Clubs, located in every Province across Canada. Since its founding in 1919, CFUW has been working to improve the status of women, and to promote human rights, public education, social justice and peace. It holds special consultative status with the United Nations (ECOSOC) and belongs to the Education Committee of the Canadian Commission to UNESCO.

**PRESIDENT'S MESSAGE**

Dear Members,

Happy April!!! Spring is coming! I know this despite the snow because the weather is behaving like a Tigger springing all over the place! I’m looking forward to the warm weather as I am sure you are. I suspect we’ll all be looking forward to spending time outdoors with friends as well, since meeting indoors has, once again, become a bit risky. I’m sure you are all aware of the rising numbers of COVID cases in our area as well as the huge increase in hospitalizations across Ontario. Based on these increases the executive team is strongly recommending that all activities that are normally held indoors be held online until further notice. This will apply to our general meetings as well.

We have an amazing program team. Although they had already scheduled in-person events for May and June they immediately went into action and set up online meetings for May and June. I am grateful for all their efforts to keep us safe while providing wonderful speakers and events! Once again, COVID can’t stop us! Before closing I would like to highlight a new section of our newsletter. Judy Beth has added a section for volunteer opportunities [see page 10]. Obviously, I love this idea. As people become aware of volunteer requests or opportunities, they can now send those to Judy Beth and she will place this in this new section. I’m excited about this because it will allow our members to ask for help for other things and it will also provide an opportunity for our members to perhaps volunteer together if they like. Thank you, Judy Beth, – great idea!

Sincerely,  
Trisha

*P.S. Be sure to check the answers to the March LOGIC puzzles and try your hand at the “Tribonds” for April, page 11.*

**~ Trisha Hendrie, President, CFUW Owen Sound and Area**

### *CFUW Land Acknowledgement*

*We want to acknowledge that this place where we come together is within the ancestral and traditional territory of the Anishinaabe Nation: the people of the Three Fires known as the Ojibwe, Odawa, and Pottawatomi Nations. We give thanks to the Chippewas of Saugeen and the Chippewas of Nawash Unceded First Nation, now known as the Saugeen Ojibway Nation as the traditional keepers of this land.*

### **EXECUTIVE MEETING HIGHLIGHTS**

*Members of our CFUW Executive meet via ZOOM on the first Tuesday of the month at 10 a.m. If you wish to make a presentation to the Executive, please contact President Trisha Hendrie.*

#### **Highlights for the April 5, 2022 Executive Meeting**

Although we think of spring as a time of hope and new beginnings, the current increase in local COVID infections is dampening the Club's plans to return to in-person meetings. Following an extensive discussion, the Executive agreed the Club should strongly recommend to our interest groups that they not hold any indoor in-person meetings for the foreseeable future. Member wellness and safety are top concerns.

The curtailing of indoor events will mean the cancellation of a Zoom training session planned for later this week and changes to spring program events.

Other organizations are also being caught off guard by the latest wave of COVID cases. CFUW Ontario is holding its annual general meeting in Kitchener, but our Club will not be sending representatives to attend because of safety concerns. The Club will, however, be represented at the CFUW National meeting by President Trisha Hendrie and possibly another executive member since virtual attendance is possible.

As we prepare for our fiscal year end, the Executive discussed what needs to be prepared for the Club annual general meeting, which will be virtual again this year, and provided input to the budget development process. The 2022-2023 budget will be reviewed by the Executive at its May meeting; members will have the opportunity to see the budget at the May 10<sup>th</sup> general meeting.

We continue to hope for a time when we can return to more in-person events and activities, but, in the meantime, the Club remains nimble and responsive to ongoing public health concerns.

*~ Vivian McCaffrey, Secretary*

## EXECUTIVE COMMITTEES' REPORTS

### PROGRAM

General Meetings are held **usually** on the 2<sup>nd</sup> Tuesday of the Month.

#### Highlights of March when we had TWO wonderful Zoom meetings ...

1. We celebrated International Women's Day on TUESDAY, MARCH 8 with presentations by two of our very own eminent women, Jan Chamberlain and Janet Glasspool. Both Jan and Janet talked about their experiences as women making their way in the work world while balancing home and family – and we recorded it! Here's the link for those who weren't able to join us -- or those who may want to watch it again -- *and since it's up on our YouTube channel, please feel free to share it with friends.* Here is the link:  
<https://youtu.be/QfmS4Hr6nZM>
2. A special presentation, WEDNESDAY, MARCH 16, by Gary Sims, CEO of Grey Bruce Health Services who spoke on *Covid and Beyond: Health Services In Grey Bruce.* This presentation was recorded, and here's the link for those who missed it, or would like to watch it again: <https://youtu.be/7IPQBsOHJJ4>

We are grateful to members of our Social Media Committee who facilitate our zoom meetings and who recorded these presentations for our future enjoyment.

#### Our April line-up of TWO not-to-be-missed meetings on Zoom includes...

1. **Tuesday, April 12<sup>th</sup> at 10 a.m. Program and General Meeting: Guest Speaker will be our very own Lynda Chiotti** who will present a thought-provoking talk on sustainable fabric and clothing. *Virtual meeting by Zoom. Link will be emailed to all members the day before. Please see the poster below for all the details.*
2. **Friday, April 22<sup>nd</sup> at 10 a.m. Special Earth Day presentation** - An interactive workshop on climate change and action, with facilitators Marilyn Struthers and Ann Schneider. What have we done? What are we doing? What can we do?  
**\*\*Before April 22nd, be sure to watch (again!) the documentary film, Resilience: Transforming our Community.** *Virtual meeting by Zoom. Link will be emailed to all members the day before. Please see the poster below for all the details.*

Our Program Committee has been meeting regularly to plan and organize upcoming meetings; however, we have had to make changes at the last minute due to rising COVID numbers.

Our May general meeting will now take place on Zoom: **Tuesday May 17<sup>th</sup> (note date change)** at 10 a.m. featuring the amazing Francesca Dobbyn, long-time Executive Director of the United Way Bruce Grey, talking about one of her current projects, SOS.

Our **AGM, Tuesday, June 14, 10 a.m.** will be on Zoom as well. Monarch butterfly enthusiast Audrey Armstrong will inspire us to appreciate Habitat for Birds, Bees and Butterflies, with Q & A. **Annual General Meeting to follow.**

When we can safely meet in person, we will be bringing you MORE great programs, coming up in the summer and fall so stay tuned.

And stay safe, everyone!

~ **Brenda Bergen & Meran Farmer, Program Committee Co-Coordinators**

## VIRTUAL GENERAL MEETING GUEST SPEAKER: LYNDA CHIOTTI

**TUESDAY APRIL 12, 2022**  
10:00 A.M. - 12:00 P.M., VIA ZOOM

**LYNDA CHIOTTI** will present a thought-provoking talk on sustainable fabric and clothing. Can we make ethical choices about what we wear? Do we know enough about what we buy to make decisions that support our values? Let's discuss the social and environmental impact of the garment industry and what we might do about it.

Members are invited to wear/show a favourite item of clothing/footwear they've had for a long time, and talk about what it means to them.

A day prior to the meeting, an invitation will be sent to all our members and guests with the Zoom link to access the meeting.

# EARTH DAY

**FRIDAY APRIL 22, 2022**  
**10:00 A.M. - 12:00 P.M., VIA ZOOM**

Join us on Earth Day for this interactive workshop on climate change and action, with facilitators Marilyn Struthers and Ann Schneider and filmmaker Liz Zetlin who believe “...everyone has something to contribute. We just start where we are and learn together...”

**WHAT HAVE WE DONE?  
WHAT ARE WE DOING?  
WHAT CAN WE DO?**

Before April 22nd, be sure to watch (again!) and be inspired by Liz Zetlin’s and John Anderson’s documentary film, ***Resilience: Transforming our Community***

A day prior to the meeting, an invitation will be sent to all our members and guests with the Zoom link to access the meeting.

## **ARCHIVES**

### *From the Desk of the Archivist...*

*For the past 30+ years, our Club historians and archivists have collected Newsletters, Program Brochures, Annual Reports and files of Special Events. The Club's history has been well documented and shared with you before, particularly at our 10<sup>th</sup> and 20<sup>th</sup> Anniversaries. Our thanks go to Donna Phillips, Judy Thomson and Jan Middleton for keeping our history alive. It now seems appropriate to share with you, especially newer members, some of the highlights of this treasure trove of information.*

It has been brought to my attention that over the years our Owen Sound & Area Club has provided many opportunities for our members and the community at large to learn about and recognize the contributions, history, and culture of our Indigenous neighbours. Here are some highlights...

1991 In our first year, Stella Johnston, Councillor at Nawash was invited to speak at one of our first meetings. Her topic was "Current Issues Affecting the Native Community".

2004 At one of our meetings, the guest speaker was photographer and author of 'Return to the Dene', Miggs Wynne Morris whose topic was "From Caribou to Computers"

2015 At a general meeting, Donna Elliott presented the History of the Saugeen Ojibwa Nation and an overview of the Truth and Reconciliation report. Our Issues Interest group had been studying Indigenous Issues for the entire year.

2017 Our Club adopted the practice of starting each meeting with an Acknowledgment of Traditional Territories.

2018 Our Club co-produced, with the Chippewas of Nawash Unceded First Nations, the play "Everlasting Fire", which was adapted from the graphic novel "The Illustrated History of the Chippewas of Nawash".

2019 Our Club donated approximately 100 Indigenous Authored books to the Cape Croker School Library

2019 Our Club made a \$1,000 donation to the Nawash "Giche Namwikwedong Reconciliation Garden at Kelso Beach. Our members wholeheartedly supported this project and many turned out to celebrate the opening of the Garden in the spring of 2021.

2018, 2019 2020 Our Club awarded three \$1000 Scholarships to Indigenous students in Grey Bruce.

2010 – 2020 Our Book club studied various books by Indigenous authors: Richard Wagamese, Basil Johnston, Thomas King, Michelle Good, as well as Joseph Boyden's books "Through Black Spruce, Three Day Road and The Oneida.

2022 Our Club invited Renee Abram, Executive Director of the M'Wikwedong Indigenous Friendship Centre, Owen Sound to speak to us via Zoom about programs available to the Urban Indigenous people in the Grey Bruce area. We gave a \$100 donation and some books for their Library.

*~ Meran Farmer, Archivist*

## **MEMBERSHIP**

We currently have 51 members. The CFUW National dues are being paid this week based on our membership. At April's executive meeting we agreed to keep the membership forms the same as last year, with the exception of adding a check box for returning members whose contact information has not changed so they don't have to fill in all the details again.

*~ Roberta Cuthbertson, Membership Chair*

## NEWSLETTER

This monthly Newsletter is posted on the [CFUW - Owen Sound & Area](#) website and emailed directly to members. Please send contributions for the Newsletter to the editor/coordinator: **Judy Beth Armstrong** [armstrong.judybeth@gmail.com](mailto:armstrong.judybeth@gmail.com) before the end of each month, for distribution to members within 2-3 days following an Executive Meeting.

Please note that it is CFUW - Owen Sound policy that:

- items in the newsletter should be related to CFUW information and events. Occasionally community events and information may be included if these relate to the CFUW mandate and interest groups, and that
- unless a member specifically gives permission, a member's personal information will not appear in the newsletter. For this information members should go to their copy of the Members' Directory.

~ **Judy Beth Armstrong, Newsletter Coordinator**

## SOCIAL MEDIA COMMITTEE

In an effort to encourage more of our club members to feel confident enough to skillfully host zoom meetings, Trisha Hendrie offered an excellent hands-on training session in her home on Thursday, March 31. Nine of us attended and made good progress, thanks to the patient attention of Trisha and her husband Christopher. A second session had been scheduled for Thursday, April 7 but had to be postponed due to rising COVID numbers and our Club's conscientious concern about in-person meetings. We look forward to resuming our training, when we feel that it's safe to do so. Sincere thanks to Trisha and Christopher for "Zoom 101, part 1".

## WEBSITE

Here is a gentle reminder for Interest Group Co-ordinators. Your Group's description on our [CFUW Owen Sound and Area website](#) may be the inspiration for a new member to join us. Is it timely, correct and interesting? If not, please let me know and we can spruce it up together!

~ **Lynda Chiotti, Website Coordinator**

## INTEREST GROUPS

**Please note, from our CFUW By-Laws, 2.3: Membership in interest groups shall be open only to members in good standing. Guests are welcome to attend either two (2) general Club meetings or two (2) interest group meetings per year.**

### ART EXPLORERS GROUP

The Tom Thomson Art Gallery will be our destination with a guided tour on **Friday April 8 at 10:00**. "The Dream of Deep Ecology" by Calgary artist Jennifer Wanner and local artist Becky Comber (websites: [jenniferwanner.com](http://jenniferwanner.com) and [beckycomber.com](http://beckycomber.com)) will be our first in person event this year! Shannon Bingeman will give us an informative talk about this exhibition as well as "Strong Heart" by Brent Henry and indigenous works from the gallery collection.

*Update as of April 5: The CFUW executive "strongly recommends" indoor events be held on-line. I have given this much thought and plan to continue with our gallery visit on Friday with provisos: all must wear a mask and not have knowingly been in contact with anyone who has a cold or has tested positive recently. This is all pretty obvious and what we have been practicing for many months, but I needed to state this. I feel that the gallery space is spacious to be well distanced, a safe indoor environment, and we are not there during public hours. However, if you have any uncertainty at all about this I will understand if you decide not to come.*

**Further update, April 8: We had ten ladies (down from 17). It was a successful morning. As one of the attendees wrote "both exhibitions are provocative and speak directly and eloquently to our times." The exhibitions Deep Ecology and Strong Heart can be seen at the TOM until April 30.**

### BOOK CLUB: 1 & 2 – Usually meet the 4th Monday of the month at 1:30 p.m.

March 28 marked the first meeting since Book Club split into 2 groups.

Group 1 met via Zoom and Group 2 met in person. The books reviewed were all Biographies.

It turns out, not everyone likes Biographies, but that's OK, we talked about some interesting individuals!

**Group 2 will meet again on Monday, April 25<sup>th</sup> at 1:30** when we will review *Northern Spy*.

As we now have 2 separate groups, we would like to encourage more members to join us. Please email me: [meranjoan@gmail.com](mailto:meranjoan@gmail.com)

*~ Meran Farmer*

### GAMES GROUP - 1st Friday of the month at 1:30 p.m.

Games group meets once a month, during the day, to play a variety of card and board games.

When someone says "board games" to you, do you cringe thinking about Monopoly or Sorry? Well, we have news for you, those are not the games we'll be playing. Whether you are new to the board game revolution or obsessed with it, this is the games group for you! We love party games and euro games.

Most recently we learned to play a game called Architect: 7 Wonders. Styn won both her 1<sup>st</sup> and 2<sup>nd</sup> game!! I've played that game at least 10 times and she cleaned my clock!

If you would like to join the Games interest group to receive invites and updates, please contact Trisha Hendrie at [solafyre@yahoo.com](mailto:solafyre@yahoo.com) or phone 519-778-2052. Our next meeting will be on **May 6th, 2022**

*~ Trisha Hendrie, Coordinator*

## **INTEREST GROUPS**, continued...

### **HEALTHY LIFESTYLES**

March was a hodgepodge of weather issues. However, we did manage to get out to Harrison Park and to the Bayshore Arena.

*Our happy Healthy Lifestyles group, March 9, 2022 at Harrison Park*

This month, we plan to walk **every Wednesday morning, 10:30 a.m. at Harrison Park**, when weather permits, as we all know that April is very unpredictable. Our standby is the Bayshore Arena.

We all look forward to May when we can get out and explore some trails further afield. We are a nice big friendly group and encourage anyone to come and join us.

If YOU have an idea for a walk you'd like to lead in person, OR a healthy

lifestyles-related topic we could pursue, please email me: [meranjoan@gmail.com](mailto:meranjoan@gmail.com). We welcome any member who is interested in joining us.

*~ Meran Farmer, Coordinator*

### **WOMEN WHO WONDER (WWW)** – 2nd and 4th Wednesday of the Month at 7:00 p.m. via Zoom

Women Who Wonder or WWW for short provides a path for intellectual exploration and discussion in a relaxed and fun environment. The group uses educational videos for discussion in the same way that a book club reads a book and then discusses it with the book club. WWW specifically focuses on providing opportunities to touch on multiple topics. This is an exploratory group rather than a deep dive or advocacy group. If you would like to join the WWW group, and to receive invites and updates, please contact Trisha Hendrie [[solafyre@yahoo.com](mailto:solafyre@yahoo.com) 519-778-2052]. At our next meeting, **Wednesday April 13<sup>th</sup>** we will be discussing videos on *the usefulness of regret*. Join us!

*~ Trisha Hendrie, Coordinator*

### **YARN CLUB (Knitwits) 2<sup>nd</sup> Wednesday of the month**

Our Knitwits group meets **monthly (the second Wednesday) starting at 1:30pm**. Until further notice all meetings are online. The zoom link is sent out a few days ahead to the Knitwits membership list.

All yarn crafters (not just knitters) are welcome. If you would like to join, or have any questions, please e-mail me at: [Shawna.macivor@gmail.com](mailto:Shawna.macivor@gmail.com).

*~ Shawna Macivor, Coordinator*

## OPPORTUNITIES TO BE A COMMUNITY VOLUNTEER:

*With this April issue, we introduce a new "column" where members are invited to send in suggestions for volunteer opportunities with not-for-profit community organizations. Please send your suggestions, by the first of each month, to me at: [armstrong.judybeth@gmail.com](mailto:armstrong.judybeth@gmail.com). We will include volunteer opportunities in future issues as space allows and at the discretion of the editor. There is no pressure on any of our members to volunteer their time or to donate funds to these deserving organizations. We appreciate that each one of us supports our community in whatever way we wish and are able. ~ Judy Beth Armstrong*

**Earth Day Grey Bruce 2022 - at Owen Sound Farmers' Market, Saturday April 23, 1:30 p.m. -**

**Organized by Grey Bruce Climate Action Network (website coming soon: [www.gbcan.org](http://www.gbcan.org) )**

Consider **[volunteering to help at Earth Day, 2022](#)** with the underlined link. You may wish to read their newsletter, attached. There will be great participation by local groups so it is a wonderful opportunity to learn and connect with others. I will be present and hope other CFUW members would be invited to participate or volunteer as they see fit. ~ Anne Seymour

### **Owen Sound Little Theatre/The Roxy Theatre**

If you love attending plays and other productions at The Roxy, consider volunteering as an usher, "Front of House", and you can pick and choose what shows you get to see (for free) and when. To qualify as an usher, you'll need to become an OSLT Member (just \$20. per year – which also gives you "front of the

line" ticket access to OSLT shows), and take the training provided. If you are interested in joining The Roxy Theatre's front of house team, please contact Front of House Coordinator, Tiffany McMillan at [tiffanym@roxytheatre.ca](mailto:tiffanym@roxytheatre.ca). Please note that OSLT/The Roxy Theatre's best practices continue ... Masks and proof of COVID vaccine are required in the Theatre. ~ Judy Beth Armstrong, OSLT Member and Newsletter Editor

**Owen Sound Waste Watchers** is participating in *A Greener Future's Butt Blitz Campaign* through the month of April. The Canada-wide goal is to collect 1,000,000 butts, and we want to do our part! If you are interested in participating, please contact Anne Finlay-Stewart (2022 OS Butt Blitz Coordinator) by email to [osbuttblitz2022@gmail.com](mailto:osbuttblitz2022@gmail.com). ~ Laura Wood & Lori-Ann Caswell, on behalf of OSWW Planning Committee

**REACH Centre Grey Bruce** is looking for a few volunteers to help with their Sensitivity Garden. If you are interested in supporting a green initiative at the REACH Centre through the growing season, please contact Anne Dondertman, Jan Chamberlain, or Anne Seymour so that we can create a duty roster of CFUW volunteers for this season. ~ Anne Seymour

## QUIZ & PUZZLE PAGE

### April Game

Let's do some more tribonds this month. Find one word that somehow fits with all three words. For example: Scale, Balance, Thermometer – all three are instruments.

1. Surprise, Search, Slumber
2. Softball, Baseball, Vampire
3. Yard, Pogo, Chop
4. Gray, Red, Timber
5. Friendship, Hobby, Love Field
6. Acetate, Cellophane, Polystyrene
7. Patriot, Poseidon, Polaris
8. Zip, Tommy, Six Shooter
9. Joy, Tern, Flamingo
10. Dove, Charcoal, Battleship

### Answers to March Logic Puzzles

1. A girl meets a lion and [unicorn](#) in the forest. The lion lies every Monday, Tuesday and Wednesday and the other days he speaks the truth. The unicorn lies on Thursdays, Fridays and Saturdays, and the other days of the week he speaks the truth. "Yesterday I was lying," the lion told the girl. "So was I," said the unicorn. What day is it?

**Answer:** Thursday. The only day they both tell the truth is [Sunday](#); but today can't be Sunday because the lion also tells the truth on Saturday (yesterday). Going day by day, the only day one of them is lying and one of them is telling the truth with those two statements is Thursday.

2. Susan and Lisa decided to play tennis against each other. They bet \$1 on each game they played. Susan won three bets and Lisa won \$5. How many games did they play?

**Answer:** Eleven. Because Lisa lost three games to Susan, she had lost \$3 (\$1 per game). So, she had to win back that \$3 with three more games, then win another five games to win \$5.

3. There are three crates, one with apples, one with oranges, and one with both apples and oranges mixed. Each crate is closed and labeled with one of three labels: Apples, Oranges, or Apples and Oranges. The label maker broke and labeled all of the crates incorrectly. How could you pick just one fruit from one crate to figure out what's in each crate?

**Answer:** Pick a fruit from the crate marked Apples and Oranges. If that fruit is an apple, you know that the crate should be labeled Apples because all of the labels are incorrect as they are. Therefore, you know the crate marked Apples must be Oranges (if it were labeled Apples and Oranges, the Oranges crate would be labeled correctly, and we know it isn't), and the one marked Oranges is Apples and Oranges. Alternately, if you picked an orange from the crate marked Apples and Oranges, you know that crate should be marked Oranges, the one marked Oranges must be Apples, and the one marked Apples must be Apples and Oranges.
